### Terms and Conditions

Reimbursement is valid on movie ticket purchases from any movie theater, any show time and for any movie.

- You can get up to \$20 a month for a maximum of \$240.00 a year in movie ticket reimbursement
- We will not issue reimbursement in an amount less than \$5.00. Therefore, you must make at least \$10 in movie ticket purchases in order to be eligible for a reimbursement.
- Reimbursements are only good for the month in which the movie tickets were purchased. Reimbursements do not carry over from month to month.
- We cannot issue a reimbursement without the original movie ticket receipt/credit card receipt and the member's credit card statement associated with that movie ticket purchase.
- Cash purchases cannot be processed. You must purchase your movie tickets with a valid credit card.
- Reimbursements will only be issued to active members of Saveology Elite at the time the claim was issued.
- Reimbursements are only good for movie ticket purchases. Concessions purchases or receipts that do not clearly show an itemized movie ticket purchase versus a concession purchase will be denied.
- You have one year from the time of purchase to redeem your movie ticket reimbursement. You cannot redeem for previous years or for purchases prior to your membership in Saveology Elite. Each redemption year begins on the date you joined Saveology Elite and ends on the anniversary of that date unless you cancel your membership. All reimbursement requests must be submitted prior to member cancellation date.
- You may send in multiple months' receipts for your movie ticket purchases. Please group each month's receipts and related credit card statements with a separate Movie Ticket Reimbursement Form for each related month. Send them together and we will issue you a reimbursement for the qualifying months.
